

POWER DRIVE JUNIOR GOLF FUND

We are committed to the promotion and support of youth golf. Many of today's developmental programs are under-funded. This has resulted in less exposure and opportunity for young players to enjoy golf.

Local programs who qualify, may be supplemented through the POWER DRIVE Junior Golf Fund to help offset increasing program costs.

We have pledged 10% of the proceeds from the sale of POWER DRIVE to this important effort.

POWERDRIVE-ING THE FUTURE OF GOLF!
